

**MEETING OF THE
CHULA VISTA GENERAL PLAN UPDATE
STEERING COMMITTEE
AGENDA**

6:00 p.m.
Monday, May 19, 2003

Public Services Building, 276 Fourth Avenue
Conference Rooms 2 and 3

ROLL CALL: Steering Committee members:

Aguilar__, Alabado__, Krogman__, Hall __, Nieto__, O'Neill __,
Ramirez__, Rude__, Savel__, Thomas__, Thompson__, Tripp__, Nordstrom__

1. REVIEW AND DISCUSSION OF THE STRUCTURE OF GENERAL PLANS AND THE EXISTING CITY GENERAL PLAN

To provide a foundation for beginning the process of discussing land use and transportation concepts, and preparing preliminary GPU land use and transportation alternatives, staff will present an overview of the structure of General Plans, focusing on land use and circulation topics. Staff will also provide an overview of how the existing City General Plan land use categories are structured, and will review the current Plan's major land use and transportation proposals.

2. REVIEW OF MAJOR ECONOMIC DEVELOPMENT STRATEGY (EDS) PROPOSALS AFFECTING THE GENERAL PLAN

As previously noted to the Committee, the City Council recently adopted an Economic Development Strategy (EDS) for Chula Vista. The EDS is structured around 12 goals, each with a series of objectives and related action items. A number of these have a relationship to the GPU, and need to be included in the development of proposed General Plan alternatives. Staff will present the main EDS provisions related to land use and transportation to assist the Committee's future discussions of how to integrate these into the development of GPU alternatives.

3. PRESENTATION ON THE MULTIPLE SPECIES CONSERVATION PROGRAM (MSCP)

Last week the City Council approved Chula Vista's MSCP Subarea Plan. The MSCP is the result of many years of planning between the City and state and federal wildlife agencies. The MSCP establishes a comprehensive open space and biological habitat network within the City's Planning Area to support the long-term viability of numerous plant and animal species. The MSCP network forms the backbone of an open space system that will be integral to the GPU. Staff will present an overview of the adopted MSCP, and discuss its relationship to the GPU to aid the Committee's understanding of the MSCP's effect on the development of land use & transportation alternatives.

4. DISCUSSION OF MAY 31 FIELD TRIP

Staff will present a proposed itinerary of stops to visit on the upcoming Committee field trip. The Committee should provide feedback to staff in finalizing the itinerary so preparations can be completed.

6. PUBLIC COMMENT

7. ADJOURNMENT – to a field trip on May 31, 2003 at 9:00a.m., and then to a proposed Committee mini-retreat on June 7, 2003 at 9:00a.m.

COMPLIANCE WITH AMERICANS WITH DISABILITIES ACT

The City of Chula Vista, in complying with the Americans with Disabilities Act (ADA), requests individuals who may need special accommodation to access, attend and/or participate in a City meeting, activity or service to contact Diana Vargas at (619) 691-5101 for specific information on existing resources or programs that may be available for such accommodation. Please call at least *forty-eight hours in advance for meetings and five days in advance for schedule services and activities*. California Relay Service is available for the hearing impaired.
